

Printing & Powder Handling Solutions

Powder Preparation

- ◇ Powder Decanter
- ◇ Powder Sieve
- ◇ Powder Vacuum
- ◇ Powder Silo
- ◇ Powder Dryer

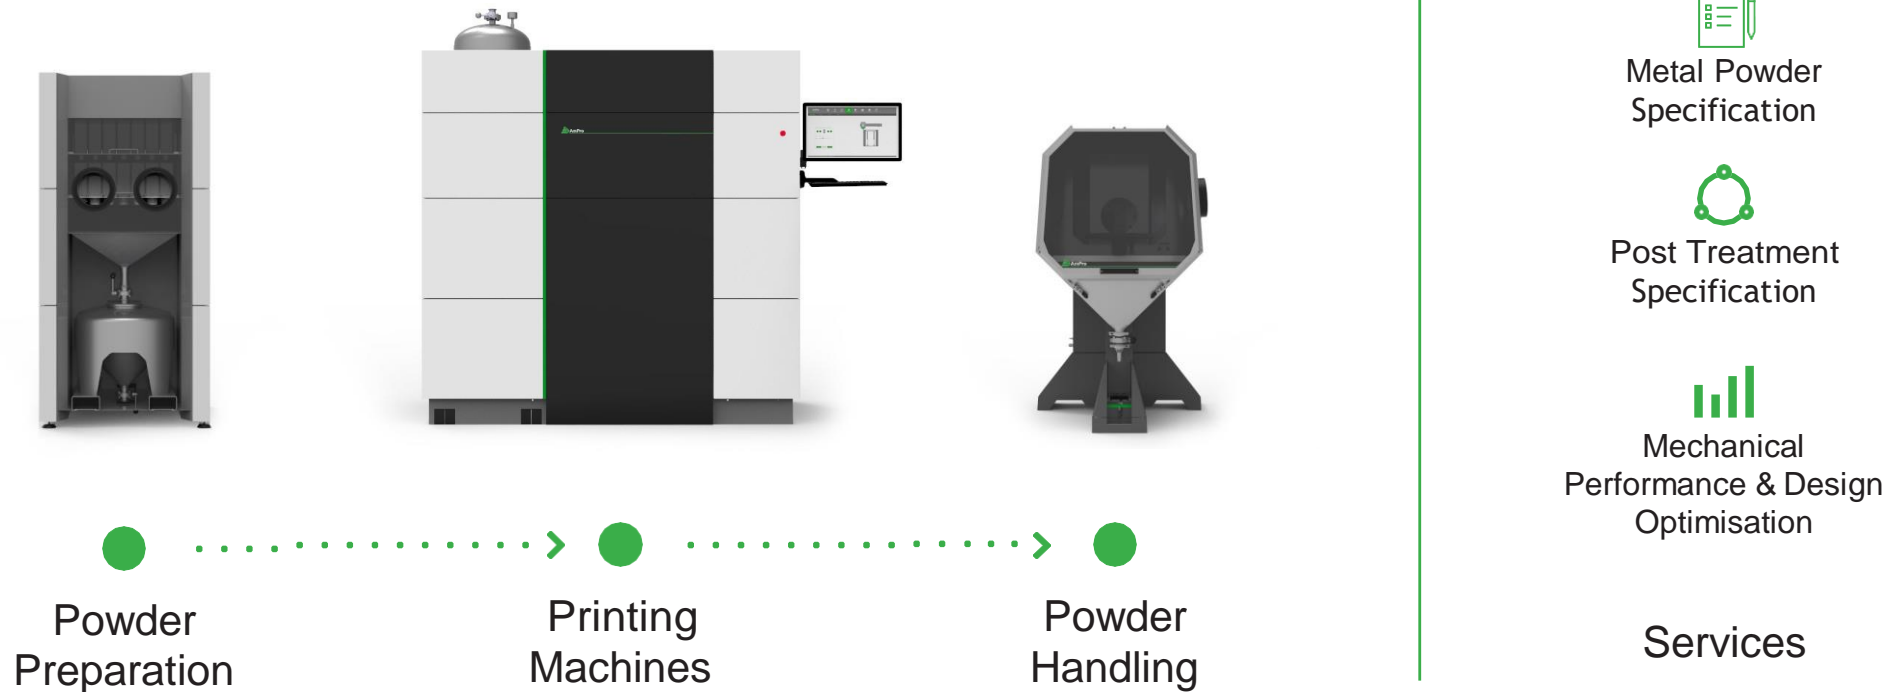

SLM Printing Machines

- ◇ 3D Metal Printing
- ◇ Full parameter control
- ◇ Multiple build sizes and laser configurations

Powder Handling & Recovery

- ◇ Powder Removal Glove boxes
- ◇ Safe, inert powder handling

'Powder to Part' Solutions

AmPro provides Additive Manufacturing solutions to aerospace, medical and other industrial sectors.

AmPro combines material science, laser build strategy and process capabilities.
